

# technology drives our everyday.

## develop change simplifies the complex.

We offer product-based solutions for permanent and contract technology recruitment and are experienced at staffing technology projects and BAU technology requirements.

### Everyone in our business learns to code

We have created a culture of learning. All develop consultants learn the coding language they specialise in.

### We identify and engage talented Software Engineers

To fuel the growth of the world's most, innovate companies, we partner with IKM to test every Software Engineer we represent.

### develop work collaboratively with our partners

We create and supply Slack collaboration channels as part of our process, giving you direct access to our teams at all times.
